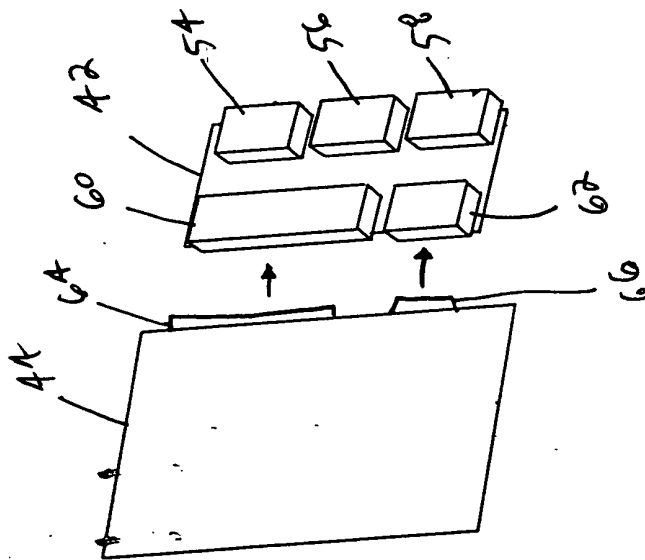

FIG. 6

FIG. 7 is a perspective view of the assembly of FIG. 6, showing the assembly in a partially disassembled state. The assembly includes a base 90, a top plate 96, and a plurality of vertical supports 110. The top plate 96 is shown being lifted from the base 90, revealing the internal structure. The vertical supports 110 are shown as a series of parallel bars. The base 90 is shown with a grid of holes. The top plate 96 is shown with a series of holes along its edge. The vertical supports 110 are shown with a series of holes along their length. The assembly is shown in a perspective view, with dashed lines indicating the disassembly process.
